

ConquerMaths offers four levels of system access: Full Administrator, Class Administrator, Student login and Parent Portal.

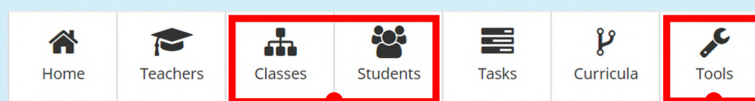

For Full Administrators:

1. Go to www.conquermaths.com/login and select the Teacher area login button. Enter your username and password from your Welcome Email to access the Navigation Dashboard.
2. From here Full Administrators can set Class Administrators (Teachers) and give access to students.
3. Set up Teacher and Student accounts by either:
 - a) Bulk upload. Follow the Welcome Email instructions and return the 'Add Students' spreadsheet to quickly create logins for all teachers and students.
 - b) Manual input. Add individual Teachers or Students to the account by following the Teacher User Guide.

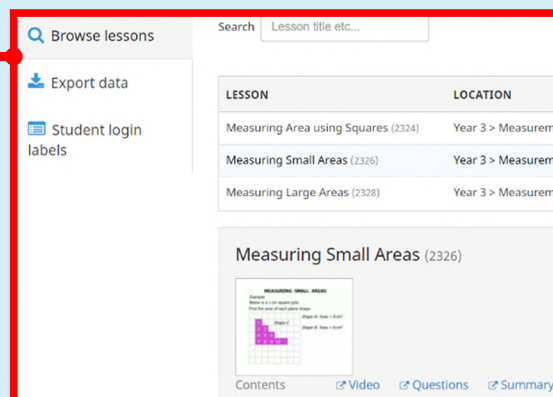

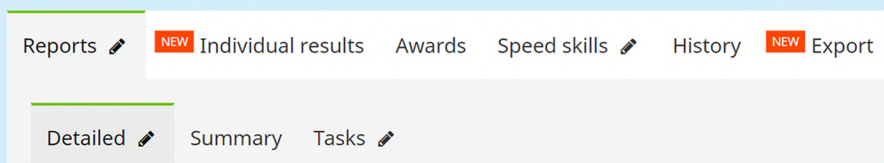

Navigation Dashboard

1. To add a student or view a lesson.
 - a) Create a Class or a Student through these tabs.
 - b) Click the Tools tab to browse and select a lesson.
 - c) Access links to Video tutorials, Questions and Summary resources for a selected lesson.

2. Classroom Management Dashboard.

Through the Classes and Students Tabs you can access their results in several report formats.

Browse the Student View

Teachers can browse lessons, assessments, and diagnostic tests as a student. Just select a topic after clicking the "Switch to Student View" link. Test results are not recorded if generated from a Teacher's login.

For Class Administrator, Student access and Parent Portal information please refer to the relevant guides.
